

No-Sew Quilt Ball Ornament

Time: 10:00 AM – 12:00 PM

Cost: \$25.00

Instructor: Denise C.

Brighten your home décor with these playful quilt ball ornaments for holiday or every day! These no-sew quilt balls are simple and fun to make. Fabric is cut, folded, and pinned to a Styrofoam ball to make the design of a 8 pointed star. The ornament is then embellished with ribbons, bows, pearl pins, and beads. Then hang it on a Christmas tree or toss into a table display and enjoy for years to come. They make great, personal gifts too!

This class will introduce the techniques of making this ball, including fabric measurements by and cutting, color, and material selection, and folding variations. It is a great way to be introduced to the joys of textile arts or for the savvy quilter, it is a great way to use fabrics left-over from recent projects to make coordinating items.
