Ready to sew garments, but not sure where to start? This is the project for you. In this project we will make a beginner friendly women's summer dress.

One way to have a seeing pattern is using a printed pdf of the pattern. In this class students will learn how to assemble a pdf sewing pattern and make fit adjustments for the bodice. Students should purchase and print the Hayes dress from Chalk and Notch with all sizes listed. We will make needed adjustments during the class.
