### GATHERING FABRIC:

Place one layer of fabric under the presser foot and sew. Generously feed fabric. The fabric will gather as you sew.

### SHIRRING:

1. Place fabric to be gathered right side up under the presser foot and under the separator.
2. Position the fabric up to the needles. Turn handwheel forward 3-4 times to catch the fabric with the needles.
3. Place the fabric to attach the gather to right side down on top of the separator. (See illustration.) This keeps the fabric away from the feed dogs.
4. Place the fabric up to the needles. Turn the handwheel 3-4 turns to catch the fabric with the needles.
5. Gently guide the upper fabric into the separator while generously guiding the lower fabric that is being gathered under the separator. The ruffle will be sewn to the flat fabric while sewing.

**Note:** Gathering works the best with fine fabrics. The heavier the fabric, the less the gathering.
